

Get to know the lists in Latex

Maxi

Oct 18th, 2019

There are three list environment, namely: 1): itemize , 2): enumerate , 3): description

They are included in the package called : package "enumitem" as above

1 Vertical List in Latex

1.1 Itemize Environment in Latex List

- * List1

- * List2

- * List3

1.2 Enumerate Environemnt in Latex List

I The first Enu

II The second Enu

Here is some text of paragraph with the intention that later we will restart from the "Fourth" Enu so

III : The fourth Enu

IV The fifth Enu

V The sixth Enu

This is something I want to exclude from the item but need to insert inbetween.

VI The seven Enu

1.3 How to Put a box around these number

1 Box

2 Box

2 Horizontal List

1. one one one 2. two two two 3. three three three

3 Different Marking symbol for each element

– Minues item

* asteric item

★ star item

4 Description

First: Can we look at the description

Second: Yes we "CAN" look at the description
