

tabular environment can be used anywhere while array is only for math related...

1 A Simple Table

In this lesson, I will start making my table.

Here is math table, ...

Table 1: First Table		
E11	E12	E13
E21	E22	E23
E31	E32	E33
E41	E42	E43
E51	E52	Here I've much longer text, inserted intentionally

Table 2: Second Table		
E11	E12	E13
E21	E22	E23
E31	E32	E33
E41	E42: Here I've much longer text, inserted intentionally	E43
E51	E52	Here I've much longer text, inserted intentionally

Table 3: Third Table		
E11	E12	E13
Product-1	Description	E23
Product-2	Description	E33
E41	E42: Here I've much longer text, inserted intentionally	E43
E51	E52	Here I've much longer text, inserted intentionally

Table 4: Third Table	
$\theta_A \int \frac{x}{y} dx dy$	$\theta_A \int \frac{y}{x} dy dx$
$\Psi_A = \frac{dx}{dy}$	$\Psi_b = \frac{dx}{dy}$
Product-2	Descritiønn
